Quotables:

I would maintain that thanks are the highest form of thought, and that gratitude is happiness doubled by wonder.

~ G.K. Chesterton

Awards

Congratulations to Xian Cao, a post-doctoral trainee in the Davisson WCMC lab, for receiving a New Investigator Award at the 2010 American Heart Association Council for High Blood Pressure Research meeting in Washington, D.C. Xian received this award for her oral presentation entitled “Reconstitution of Prostaglandin E2 Receptor Subtype 1 Selectively in the Subfornical Organ Rescues Slow-Pressor Angiotensin II Hypertension in EP1R-Null Mice”.

Out and About

Welcome Back! to Flavio Fenton!

Flavio recently spent two weeks in Mexico representing us at the XII Fall School in BioMathematics and teaching a short course titled “Excitable Media and Complex Systems with Applications to Cardiac Arrythmias” at the National University of Mexico!
Administrative Staff in The College of Veterinary Medicine are invited to Administrative Networking Lunches (you bring your lunch - Beverage and Cookies provided). These luncheons are held once a month. The next Administrative Networking Lunch will be December 9, 2010 from 12-1pm in the Hagan Room.
