

## AT A GLANCE ...

Established by an act of the state legislature in 1894, today the College of Veterinary Medicine at Cornell is one of 28 veterinary colleges and schools in the United States and one of only three in the Northeast.

Ranked nationally as the number one vet college by *US News & World Report*, Cornell's College of Veterinary Medicine is recognized internationally as a leader in public health, biomedical research, animal medicine, and veterinary medical education.

- 340 DVM and 100 graduate students of talent and promise
- 1,000 faculty and staff who consistently help to shape the profession
- 40,000 animals treated annually
- 4,000 alumni who are leaders in their communities and the profession
