

Cornell University College of Veterinary Medicine
Cornell University Hospital for Animals
Discount Policy for University Employees and Students

1. Regular full-time, part-time, and retired employees and students of Cornell University are eligible for a discount on services in the Equine/Farm Animal Hospitals or Companion Animal Hospital.
2. The discount is applicable on up to three (3) large or small animals that are personally owned. The three animals must live at the person's current residence in order to receive the discount. The names and case numbers (if any) must be registered with the CUHA Business Office. The registration form is attached at the end of this document. Once designated, they will not be changed, except if ownership is transferred or the animal dies. No substitutions will be allowed. Upon the animal's death or transfer of ownership, the animal's spot on the discount list may be replaced with another animal. Once an animal is deleted from the discount list, it cannot be put back on the list. Those violating this policy may have discount privileges permanently revoked.
3. After registration, the fees for the three animals will be discounted at each visit by 10% of the total bill, excluding all Ambulatory visits, Diagnostic Laboratory, Pharmacy, and Clinical Pathology charges. Test fees incurred through the Diagnostic Laboratory and Clinical Pathology must be billed at full charge.
4. Clients must show proof of eligibility in the form of a valid Cornell photo ID card at the time of admission and must pay the bill in full upon discharge to qualify for the discount. A retired employee in need of Cornell photo ID can obtain one at the Office of Human Resources located in 130 Day Hall.
5. This policy is a CUHA policy, not a university policy, and may be changed at any time without prior notification to participants.
6. This policy supercedes the earlier policy "CPS Discount Policy for Cornell University Community"
