→ **PMCID** →

<http://www.ncbi.nlm.nih.gov/pmc/>

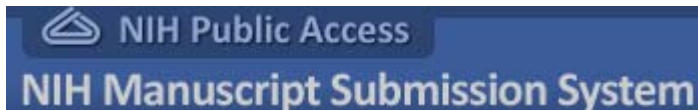

Digital repository for various FULL-TEXT life sciences JOURNAL ARTICLES and formatted MANUSCRIPTS

<http://pubmed.gov/>

“Master Index” database of CITATIONS and ABSTRACTS to the biomedical literature

20 million citations from 1940’s

## FINAL PEER-REVIEWED MANUSCRIPT

<http://nihms.nih.gov/>

↑  
Temporary  
NIHMSID

### Method C

Author deposits manuscript  
Author approves reformatted manuscript

### Method D

Publisher deposits manuscript  
Author approves reformatted manuscript

2 million published articles and manuscripts from about 2000

All NIH-sponsored research papers since April 2008

PCMIDs and links are added to *PubMed* citations as soon as the peer-reviewed published article or manuscript has been processed for *PubMed Central*.

### To Locate PCMIDs in PubMed:

Search *PubMed* by author, date, etc. (or use Single Citation Matcher )

PCMIDs appear on:  
*Abstract display* under abstract to the right with any availability date limits  
*MEDLINE* display has PMC tag

Also, **PMID:PCMID Converter**
