

Each year, through the generosity of its many donors, the Maryland Veterinary Foundation (MDVF) awards thousands of dollars in educational scholarships to deserving Maryland residents who are pursuing veterinary medical education.

Scholarships are awarded to applicants that demonstrate financial need as well as excellence in leadership, communications, compassion for animals, professional experience and/or activities.

A total of \$24,500 in scholarship funds is available for this academic year.

To be considered for one or more of the scholarships listed below, applicant must:

1. Be a Maryland resident.
2. Be a current second, third, or fourth-year veterinary student enrolled in an AVMA-accredited or ECFVG-listed veterinary college
3. Have applied for financial aid.
4. Provide all required documentation listed in the application.
5. Answer all application essay questions.

Deadline to apply is Sunday, November 19, 2023.

Recipients will be selected by the Board of Trustees of the Maryland Veterinary Foundation. Funds awarded will be restricted to educational expenses. **Scholarship checks will be made payable to the recipient and mailed no later than April 15, 2024.** Recipients must report the award amount to the College or University's Scholarship and Financial Aid office.
