AQUAVET® Information for 2024
AQUAVET®
Background Information

Need for trained veterinary professionals
- Contribute to the health/welfare of aquatic animals and their environment
- Began in the spring of 1977

Historically sponsored by
- University of Pennsylvania
- Cornell University
Three opportunities

AQUAVET® I
- Introduction to Aquatic Veterinary Medicine
- 4 week course

AQUAVET® II
- Comparative Pathology of Aquatic Animals
- 2 week course

AQUAVET® Summer fellowship
- Usual Location: Fish Diagnostics Lab at Cornell
- Usual Topic: a selected fish viral disease
- Duration: 8 weeks
Logistics – AQUAVET® I & II

Roger Williams University - Bristol, RI

- Classrooms and labs
- Library

Tuition covers course work, housing and most meals

Housing – suites with kitchen and 2 bedrooms
- 4 students per suite
- Roommate
- No pets

Meals – cafeteria meal plan
- Breakfast, lunch, dinner
- 5-10 stations
Location  Bristol, R.I.

20 min to Newport
20 min to Providence
Bristol, R.I.

Just 1-1.5 hours to:
- Boston
- Mystic
- Barnstable
COURSES at RWU

AQUAVET® I:
An Introduction to Aquatic Veterinary Medicine

4 weeks: total immersion course
27 May to 23 June 2024
22-24 Students
Approx. 46 invited faculty

AQUAVET® II:
Comparative Pathology of Aquatic Animals

2 weeks: total immersion course
27 May to 9 June 2024
12-18 students
Approx. 15 invited faculty
Marine and Natural Sciences Building
Typical Dorm Room
AQUAVET 1 Class
21 June 2023

Woods Hole, MA
AQUAVET® I
Introduction to Aquatic Veterinary Medicine

- Four weeks – begins May 27 and ends June 23
- Classes routinely 6 days a week (and most evenings)

- Water Quality
- Invertebrates to marine mammals
- Lectures and laboratory sessions
- Student seminars
- Field trips
AQUAVET® I
Introduction to Aquatic Veterinary Medicine

Invertebrates to marine mammals

- Aquatic invertebrates
- Fish
- Amphibians and Reptiles
- Sea Turtles
- Aquatic Birds
- Marine Mammals
AQUAVET® I

Field trips

- Intertidal Invertebrate Collecting
- Mystic Aquarium
- New England Aquarium
- Atlantis Marine World
- Riverhead Foundation for Marine Research and Preservation
- WHOI (Woods Hole Oceanographic Institute)
AQUAVET® I

Tuition for Students - $2,750
- Less $200 from anonymous donor = $2,550

Includes
- Tuition
- Room and board (almost all meals) - 4 weeks

Required to attend class
- Foundation covering 2/3 of cost

Credit Available – depending on school
- Evaluation based on
  - Participation in all aspects of the course
  - Especially student seminars

**FOCUS**

Pathology and Pathogenesis of diseases
- of important aquatic invertebrates and fish
- biomedical research models
- cultured species
AQUAVET® II
Comparative Pathology of Aquatic Animals

Prerequisites: AQUAVET® I or equivalent
Two Weeks – May 27 to June 9, 2024
Classes 6 days a week and most evenings

Lectures, slide review, and occasional wet labs
- Primarily Fish and Invertebrates
- Comparative Anatomy
- Parasites
- Bacterial, Viral and Fungal Diseases
- Toxicology
- Histopathology
AQUAVET® II

- Student Tuition - $1,665
  - Includes course instruction and room and board

- Required to Attend Classes
  - Foundation covering 2/3 of cost

- Course Credit possible
  - Depends on school requirements

- Evaluation
  - Based on class participation

Humpback Whale

Finback Whale
AQUAVET® Summer Fellowship

- Research project under guidance of AQUAVET® faculty
- 8 week duration (July and August)
- Aquaculture Based Project (funding requirement)
- Limited positions – usually 1
- Pays stipend of $3,800 after finishing all 8 weeks
- Publication often generated at the end of project
APPLICATION PROCESS

Application forms  www.aquavet.org

Download the application form
MS Word and pdf

Please Submit **Electronically**

APPLICATIONS DUE 15 Jan
APPLICATION PROCESS

What you must submit:

1. The completed application form
2. OFFICIAL Undergraduate transcripts
3. OFFICIAL Veterinary school transcripts
4. Current CV (Curriculum Vitae)

NOTE: “OFFICIAL” means they are sent directly to the director by the university. We cannot accept transcripts sent by the students. Most are done electronically these days.
APPLICATION PROCESS

NOTES:
- If applying for more than one course, need to submit application for each, however, only one set of transcripts
- If applying for a second year (e.g. AQV2 or AQV3), only the updated veterinary school transcript is required (and application)
- Veterinary school transcript must include recent work (fall of the year before application due)
- CV now also required
- Letters of recommendation accepted but NOT required
- Transcripts must be official copies sent directly to the director
  - Transcripts should be sent electronically by the university to the director
  - Paper transcripts are problematic, but IF NECESSARY will be accepted at director’s address
APPLICATION PROCESS

Where to submit:

Should be electronic: aquavetmail@gmail.com

If transcripts must be sent by mail:

Donald W. Stremme, V.M.D.
AQUAVET® Director
Cornell University
College of Veterinary Medicine
Microbiology and Immunology
C5181 Vet Medical Center
Ithaca, NY 14853
APPLICATION PROCESS

- Applications due **January 15th**

- Application forms - website
  - Via E-mail as PDF file preferred

- **Essay** - highlight any aquatic experience
  - Can be separate word document
  - This is most important part of your application

- Acceptance to the program
  - Competitive Basis
  - Announced in February
APPLICATION PROCESS

The application process is competitive

What does the admission committee look for?
An indication that you will use the information in the future
What have you done in the past in the aquatic sciences and/or aquatic animal medicine…..
and/or even other exotic animal work
Formal courses
Other courses
Paid and volunteer work experience
Other: e.g. hobbies (keep aquarium fish)
Membership: IAAAM, WAVMA, AAFV, AAZV, ARAV, etc.

Application form, essay –
Why you think you will benefit from the course.
Probably the most important part of the application.
Follow the instructions regarding length of your essay.
Proof read it.
