Companion Animal Nutrition Consult Form

Reason for Request: (please check one or more)

☐ Formulate home-cooked diet, because no commercial diet available to meet pet’s needs
☐ Formulate home-cooked diet because pet finds commercial diets unpalatable
☐ Need dietary plan for weight loss
☐ Other, please specify:

Please Note: Consult fees may range from $50 - $100. The fee for a home-cooked diet formulation is $325.00, which includes follow-up for three months. If formulating a homemade diet, your veterinarian must send us a referral letter and medical record information including pertinent diagnostic tests.
