*\* Grade if course was already taken*

I have compared your generic course description with my course description and I believe they are similar. I am submitting this form with one of the following:

- A course syllabus (preferred) or course description.
- A letter from my professor stating s/he agrees most topics in Cornell's course description were/are covered in my course (needed if course descriptions do not compare well), or
- A letter from my academic department chairperson stating s/he agrees most topics in Cornell's course description were/are covered in my course (needed if course descriptions do not compare well)

*~Please send or email to contact information below~*

**Please Note:**

- *Our decision will be emailed to you within 3-4 weeks*
- *Recommended deadline for course substitution is September 15<sup>th</sup> of the year you will apply.*
- *You should also make copies of these materials for your records as we will not return the information you provide.*
