

Cornell University
College of Veterinary Medicine

TRANSFER APPLICATION

Evaluation of Animal/Veterinary/Biomedical Research Related Experience

Note to Evaluator

Please complete this form and give it to the applicant in a sealed envelope with your signature across the back **or** send it directly to the DVM Admissions Office. As deadlines are followed closely, please make sure you check with the applicant for the appropriate date to ensure their application is complete on time.

For Applicant and Evaluator

Action on this application by the Admissions Committee will be based on an evaluation of the applicant's capacity for intensive professional graduate study and his or her potential for professional success. To encourage the evaluator to provide the college with a candid evaluation, denied applicants will not have access to this evaluation. The comments below will be reviewed only by those involved with admissions.

Applicant should complete this section

Today's Date _____

Applicant's Full Name _____
